

World Days of Action

November 7th 2016

YES, WE *Clean* THE PLANET!

Objectives

- To be able to demonstrate correct behaviour in residue separation.
- To contribute to the preservation of clean spaces in the school surroundings.
- To use individual effort to common good.

Program activities:

- Residue collection from outer spaces in the school yard and storage in the proper containers.
- Awareness campaign in the school community:
 - ✓ not to throw trash on the ground;
 - ✓ for the separation of waste and the correct use of ecopoints.
